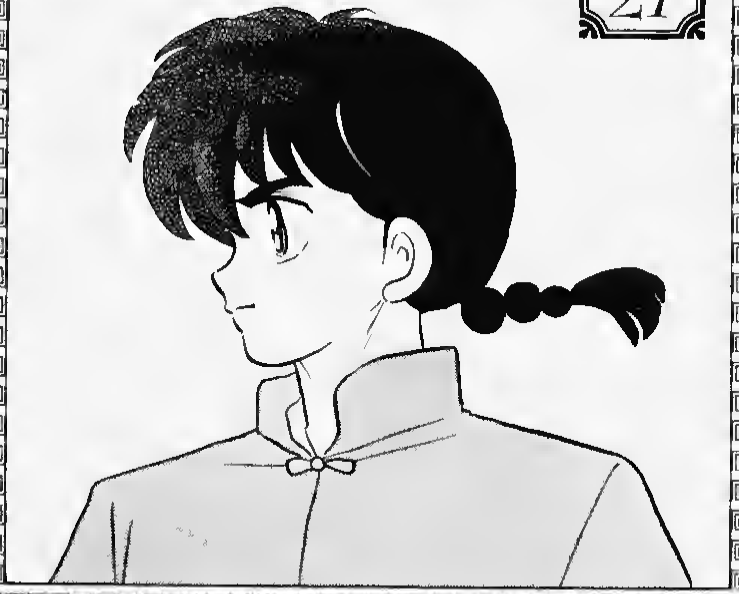
RANMA 1/2

27



Rumiko Takahashi

The New Ranma Project

The first half of this book was also done pretty early on without much fuss. AnimeBill our resident Hinako fan got the first three early, and Jason Bridgmon did the same for the next three.

Later on though we discovered much to our annoyance that although our script for this book CLAIMED to be complete, chapters 9 & 10 were missing. Those were the last two scripts to be filled in by Shih-schon Lin so they were only finished recently.

They sure don't seem all that special.
Huh?

CAT CAFE
That sneaky Ranma...
He got away again

I home!
AT CAFE
Aiya! Great-granny!
Defeated
Are you sure it was Mousse
—who beat you up great-granny?
Yes There's no mistaking it Anyhow
He just found them a little while ago

Dinnertime!
Let's eat!
Important news, Ranma!

Mousse became super-strong?
He beat great-granny up.
Really?
She didn't almost die, did she???
Believe it, Ranma...
I defeated her, there's no question about that.
Mousse!

So you think you're strong enough to take me on now?
You don't get it, do you?
Shampoo...
As I recall, you only like strong men...
Of course
So then, you should fall in love with me now!
Um...

You're interrupting my dinner!

I'm sorry!!!
I'm sorry!!!
I'm sorry!!!
Ha!

Mousse! Beat me up, please!
Well...
Beating up weaker guys isn't normally like me...
...but since you asked so nicely...

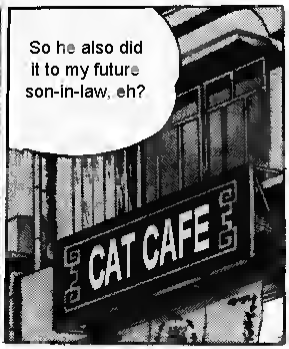
Take this!
And that!
Ha! Take that too!
I'm so sorry!

Now you must love me Shampoo!
I'm stronger than Ranma!

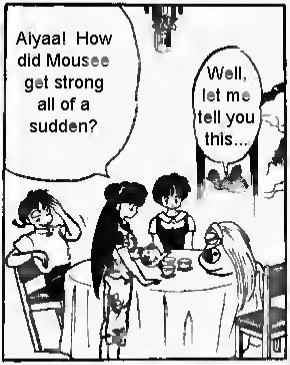
What did you do to Ranma?!

boo hoo

Dammit! Why the hell was I crying and apologizing to Mousse?
Weird. He's not wimpy anymore...

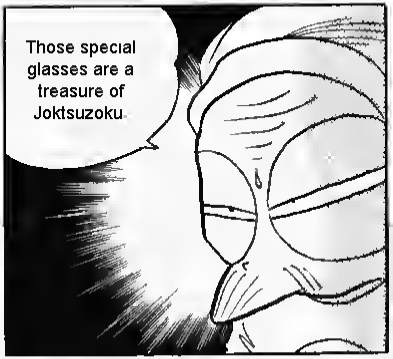


So he also did it to my future son-in-law, eh?
CAT CAFE

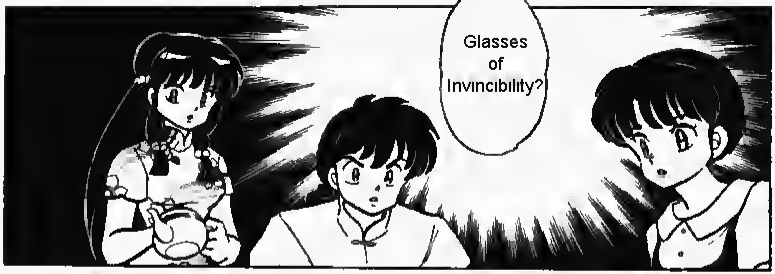


Aiyaa! How did Mousse get strong all of a sudden?
Well, let me tell you this...

You mean to say that when Mousse is wearing those strange glasses...
You're right so far...

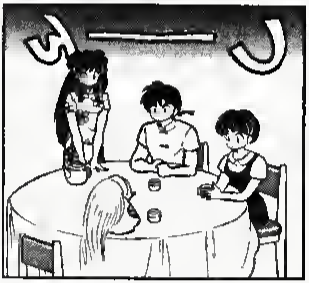


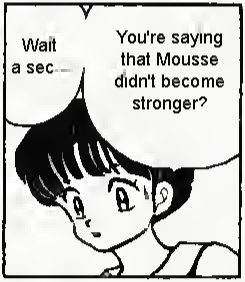
Those special glasses are a treasure of Joktsuzoku.



Glasses of Invincibility?

Yes
Any person who is watched through the glasses...
Will cower and apologize to the wearer of the glasses!





Wait a sec...
You're saying that Mousse didn't become stronger?

That's right!
In any case...

The Invincible Glasses of Joketsuzoku were intended to protect weaklings and children from assailants.
What?

So that's it...
No wonder I was able to beat Ranma and that old woman.
Damn.
I'm so pitiful, sinking this low.
Oh I see.
So if it's just those glasses Mousse is wearing...
He's just a pathetic loser and a pitiful coward!
Wah hah hah hah hah hah hah!
RANMA!
I'll make you drown in an ocean of your own tears!!!

Wow! That one's gone!
I got it!
Hm? What's this?
BOOM

Hey!
Who's that guy?
Mousse?!
What do you want this time?
Ranma

We have unfinished business, Ranma. I'm done using cowardly methods and things made for weaklings.
Huh?
Are you alright?
Relying on such a cowardly device, how could I live with the disgrace of using such things?
Oh, I'm so ashamed.
I'm such a pitiful weakling!!!
Beat me up. I beg of you!
Sorry, not my style
You can't refuse! You just can't!
Look, I said no okay?
You don't mean that now beat me up!
Come on! Hit me with all your might! Don't hold back!
What the???

Feh.
Keep talking like that
_ And I will beat the hell out of you!
Yaaahhhh!
I'm sorry!
I'm sorry!
I'm sorry!
Ranma's crying and apologizing to that guy!

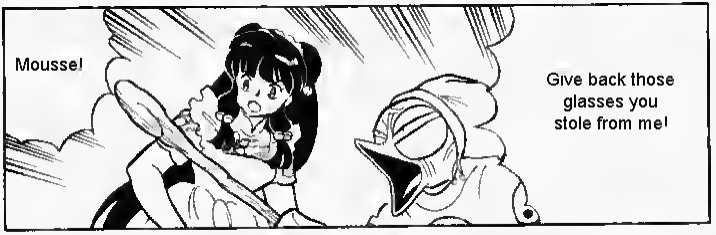
No! It can't be!
Oh no!
Ranma's been defeated!
He's just crying and apologizing!
Akane,
What's wrong with Ranma??
It's those glasses again! The Invincible glasses of Joketsuzoku!
Whoever is watched through the glasses will cry and apologize

Yah!
Come on! This is embarrassing!
Ranma!
Get up and beat this guy to a pulp!
Please, please hit me again!
Heh
Perhaps this will teach you not to mess with me again
I'm sorry!
Later!
This ain't what it looks like!
I haven't really been beaten!

Have you no pride?
Our school's reputation is at stake!
I can't believe it!
Ran-MA!!
How could you cry and apologize like that to anyone in public?
CAT CAFE
Mousse!!!

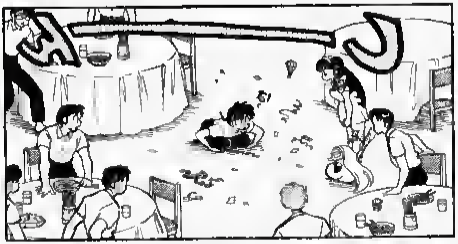
Nihao Ranma!
About Mousse, he's still got the invincible glasses. Watch out.
Mousse!
If you're a real man, you'll put those glasses away and fight me fairly!
What's this?
A visitor? Ranma, is that you?
I'm sorry! Please hit me! I won't do it again!
Hah

Oh no! He's crying and apologizing again!
What's up with Ranma lately?
It can't be! It just can't be! Ranma's been beaten twice today!



Mousse!
Give back those glasses you stole from me!

No way!
Smoke-screen!



Damn!

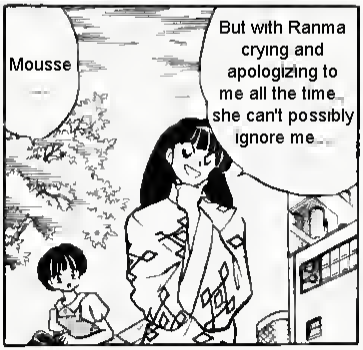
How long can you let this go on Ranma?
Be a man!
You've got to quit this apologetic behavior!
YAAAAAAA-AAAGGGHH!!
Hey
He ran away?
Mousse is making a big mistake
Being so cowardly
Why should I help you convince Mousse?
If you're always mean and cold to Mousse he won't ever be influenced by you He'll never learn anything better
Than being a coward and using those glasses
So?

Sorry no way
Shampoo not care what Mousse think or do
Mousse
Are you happy you defeated Ranma?
I see! If it's those glasses then Mousse is just a pitiful coward!!!

Leave me alone.
This is a man to man fight.
?

You know, if you keep this up, Shampoo will grow to hate you.
It doesn't matter what I do.

Shampoo won't pay attention to me until I beat Ranma.



Mousse...
But with Ranma crying and apologizing to me all the time, she can't possibly ignore me...

Mousse!
Wa ha ha ha ha ha ha ha!
He's changed.
His character is so different.
Ranma!
Ranma!
ドガッ
I heard you were crying and apologizing to Mousse again! That's so shameful!
What did you say?
Challenge
I'm Sorry!
Never mind!

What did you call me out here for, Shampoo?
Those glasses
You know what they are, right? And you understand what happens when you use them...

Protection for weaklings and children...
...What's wrong with that?

So if you know, why are you still using them?

Keep treating me like that...
And I'll just keep on using them.

Until you respect me and stop being so cold, I'll do as I please
Mousse
Is that so?

I was wrong...
Sham-poo!
Her cold looks...
They became tears...
Meanwhile
Bring out more coward's devices!
Like the invincible glasses?
Ranma, you too?
Ranma's burning for revenge...

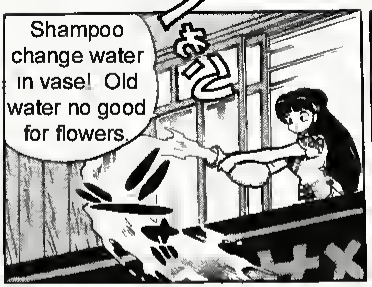
This is from Ranma?
Who else would it be from?
Attn: Mousse
CHALLENGE!
Mousse, Let's settle this once and for all, like men
It doesn't matter if you use the glasses again
I will fight you with all my might
--Ranma
I will accept.
Oh good

I know you have the invincible glasses...
But if you use them in combat...
There's just no contest
You see,
There is one thing you should know
About those protective glasses..
It's clear now.
I understand the final secret of these glasses

It's up to you now, Mousse!
Later!
I won't use these glasses in my fight with Ranma!
Then will you be able to forgive me? Shampoo...
I was wrong...
Your tears strike me harder than a million fists of iron.
I swear you'll see I'm no coward!



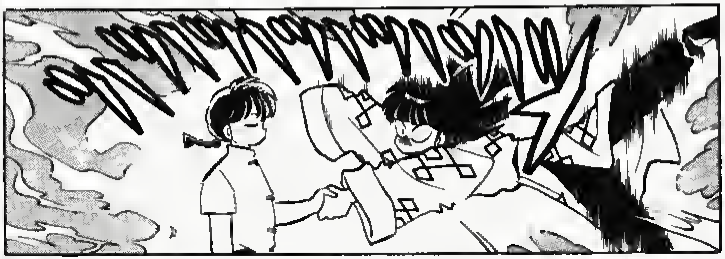
Shampoo change water in vase! Old water no good for flowers.

Hey! It's Ranma and Mousse's showdown!

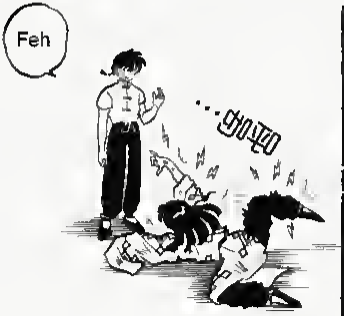
Isn't Shampoo coming?
She doesn't want to see it.
Just to show I've got no hard feelings
Good luck, Mousse
Shampoo has really been avoiding Mousse lately...

Ra-Ranma? You really mean it?

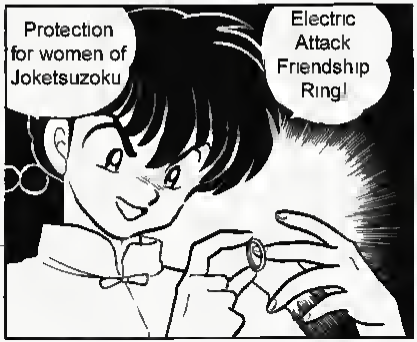
Fighting me when I've been so shameful...
What a great guy!



What on Earth was that?
Ranma shoots lightning now, too?



Feh



Protection for women of Joketsuzoku
Electric Attack Friendship Ring!

Next...
Wait! Ranma!
Using those when I'm fighting fairly...
Cedar Pollen Mask!
Protection for invalids!
Ack! Cough cough!
No way! Can it be?
Ranma's more cowardly than Mousse!
Take that! And that! Want some more?

I can't complain about this.
I used the same cowardly techniques on him, first.
Take that!
Take that!
Take that!
Take that!
Take that!
Take that!
Heh
Oh no!
Mousse is going to use the invincible glasses!

I must be strong! I will defeat you without the glasses!
Yow!
Ah!
I guess Mousse is determined to fight
to the finish without the glasses. How noble
Shampoo!

Ranma! Prepare yourself! Here I come!
Protection for babies of Joketsuzoku!
Fire Teething Ring!
Come on! Is that all you've got?
...
Ranma, I've reached my limit...

If I wear the glasses of invincibility, I can win!
I can make Ranma apologize again!
It would be much easier if I use them!
Really! Mousse is trying to fight fairly!
Shampoo no believe it
Joketsuzoku Crutch of Protection for the elderly!
You bastard!!
The glasses!

No! Mousse!
You're not supposed to use that against opponents in a martial arts fight!
..!

I'm Sorry!
Please Ranma!
I'm a coward!
Hit me more!
I apologize!
Hm?
Now Mousse is crying and apologizing!
You mean Ranma won?
What's going on here, Mousse?
The fight's over
But
We say you won, okay?

The last rule for using the Joketsuzoku invincible glasses
If you put them on backwards,
You will apologize to your opponent
It's a way to reconciliate
Mousse, did you know that and still put the glasses on backwards on purpose?
But by doing that I didn't become the unmanliest
Heh
In the frenzy, I lost track I don't remember

Mousse!
Tomorrow is Shampoo's day off
We go on date, okay?
What?
Shampoo said we go on date, okay?
ﾊｰｯ
You mean it? Okay!
I suppose it's okay once in a while
Shampoo no like Zombie Demons! Mousse have horrible taste! This is no romantic, it's disgusting!
The next day

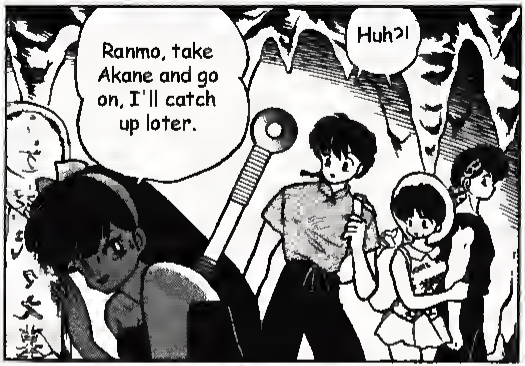
The Cursed Tunnel of Lost Love...
It is said that any couple who passes through the exit together will break up for sure...

I've got to get Ranma and Akane to make up before the exit...
Don't worry, Akane, I'll protect you with my life!
Thanks Ryoga! You're the only man I can trust!

Ugh..
Hey! You okay there?

It's just my stomach..
A little rest and I'll be fine.



Ranma, take Akane and go on, I'll catch up loter.
Huh?!

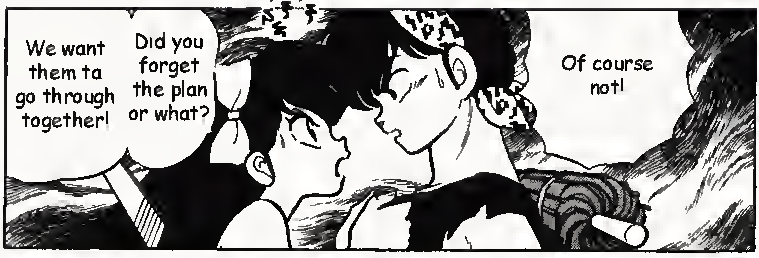
Nonsense! Let me give you o piggy-back till you're okay.

That Ranma! He never does anything that nice for me!
Very Jealous
What o jerk!

Shall we, Ryoga?
Yeah! Sure!

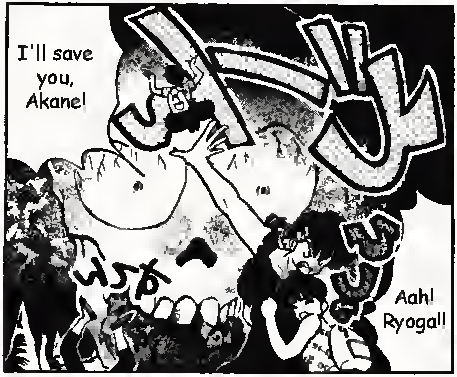
Hey! You big silly!

What's that? You're going to stay here with me?
Thank you so much!
Hm...
She looks a lot better all of o sudden.



We want them ta go through together!
Did you forget the plan or what?
Of course not!

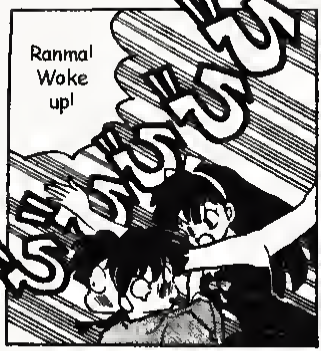
Give me that girl!
!



I'll save you, Akane!
Aah! Ryoga!!

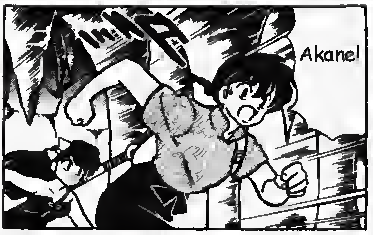
Ah...
Would you quit with that, already?!
Overjoyed

Ah! What a wonderful world!
If only we could stay like this forever!
SMACK
But if we never leave here...
Akane and I can...
I'm so scared, honey!
What?
Then it's settled! We're off!
Hey stupid! Where are you going?



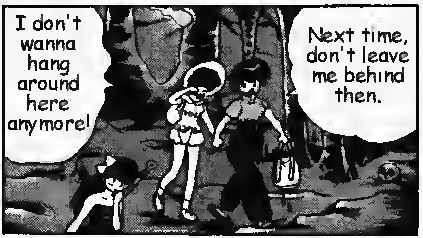
Ranma! Woke up!
ドドド

YAAAH!
Huh?
That's Akane's voice!

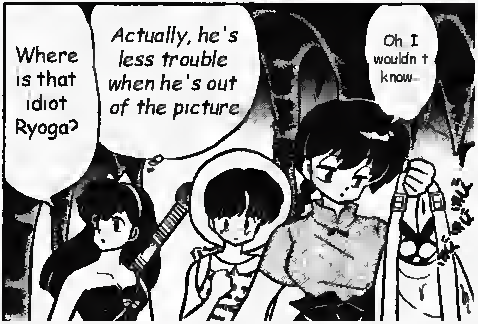


Akane!

Oops!



I don't wanna hang around here anymore!
Next time, don't leave me behind then.

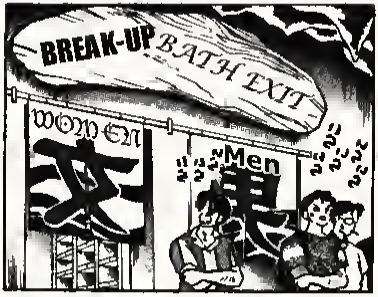


Where is that idiot Ryoga?
Actually, he's less trouble when he's out of the picture
Oh I wouldn't know-

BATH
What?
What luck! A nice, hot bath!
But why is it in the middle of a Haunted Cave?
Looks like we have no choice but to enter.
Wow! I no idea such a great bath was in here!
It's so nice and relaxing!
Let's take our time and enjoy it.
I do hope Ryoga can catch up with us...
What are you talking about, Akane?

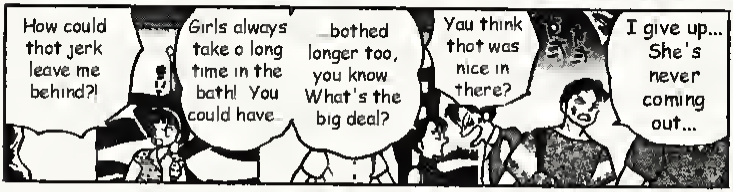
Trust me on this one. Forget about Ryoga.
We both know Ranma-Honey is the only guy a girl can count on.
Yeah, but it's been my experience that Ryoga is much more trustworthy than Ranma.
You go on ahead. I'll wait here for Ryoga.
Hm?
Is she really that dense?
Meanwhile, on the Men's side...
It's so blood-both from Hell!
I om out of here in no time!
A hot both... Aren't we lucky, P-Chan?
Heh...

Just a few more steps and we would have been really lost!
But I still have a chance! After they break up at the cursed exit...
You can do better!
He's not worth it!
My true happiness shall finally arrive!
RANMA!
Yeah?
From now on, you've got to take Akane through the cave!
Got it?
W-Wh- the sudden change of heart?

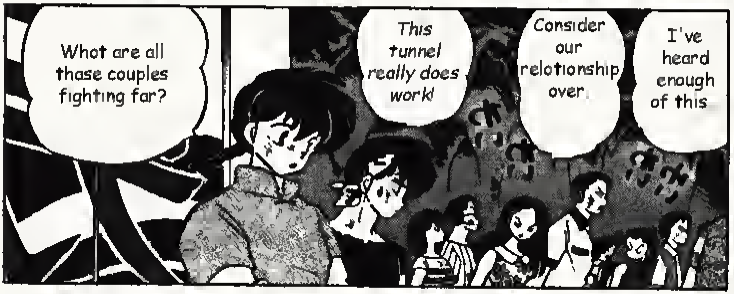


BREAK-UP
BATH EXIT
WOMEN
Men

Ahh... I feel so refreshed!
What, did you get lost in there or something?



How could that jerk leave me behind?!
Girls always take a long time in the bath! You could have bothered longer too, you know What's the big deal?
You think that was nice in there?
I give up... She's never coming out...



What are all those couples fighting for?
This tunnel really does work!
Consider our relationship over.
I've heard enough of this

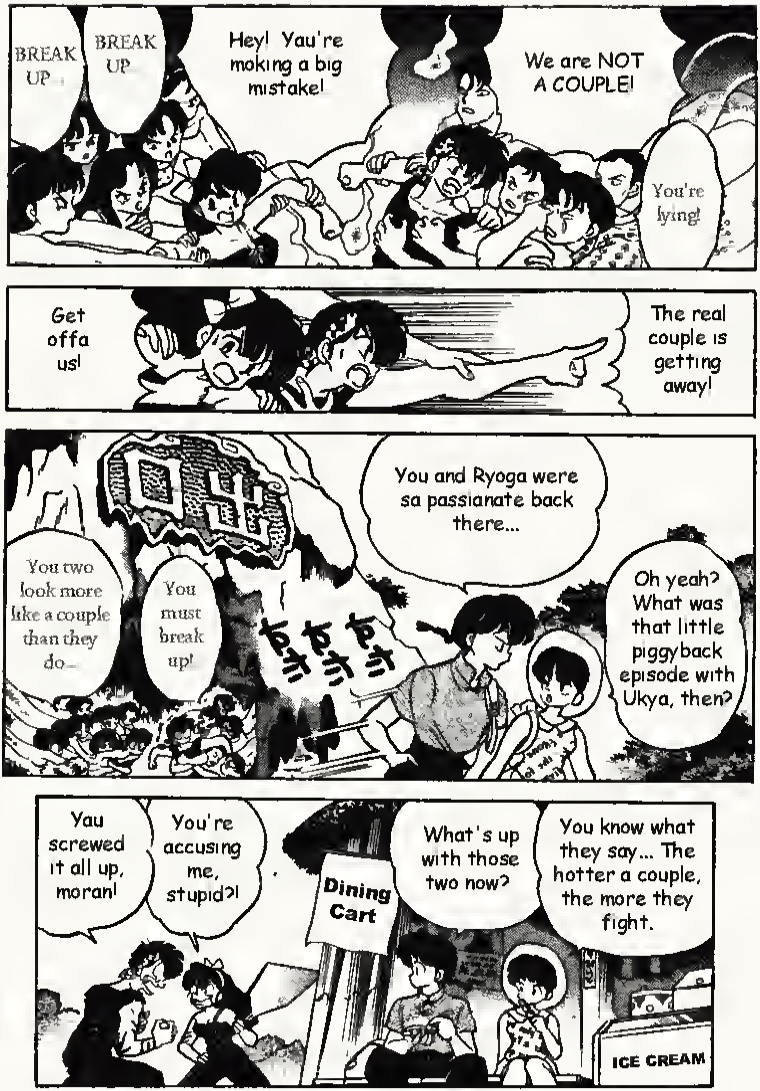
Hey! Ryoga!
Ack!
Eh... Hi!

Get lost! You silly!
I'm sorry, It's all my fault, Ukyo.
Don't you think Ukyo is acting a little weird today?
So is Ryoga, now that you mention it...
Ack!
Could it be..?
Where are we going?
How can you be so obtuse?
I'll never betray you again!
How can I trust you now?

Please!
Can we try it all over again?
Are you sure you want to? Are you serious about it?
Oh...
I knew it!
What else could it be?
Those two...
Those two are in LOVE!
Well, what do you know?!

We'll be at the exit in no time!
They'll go out as a couple if we have to tie them together!
RANMA!
Hi!
Yo!
Ryoga, you sly dog!
Oro?
I'm so sorry, Ukyo.
I never suspected it at all...
Huh?
Shall we, Akane?
Ok.
They just made up?
Our fighting was causing them trouble...
Sorry, I didn't notice that...

Look! The exit!
We did it!
They're leaving as a couple!
Finally, we can get out of this place.
It was really scary.
You're not broken up yet.
We will make sure you break up!
Huh?



BREAK UP
BREAK UP
Hey! You're making a big mistake!
We are NOT A COUPLE!
You're lying!
Get offa us!
The real couple is getting away!
You two look more like a couple than they do—
You must break up!
You and Ryoga were so passionate back there...
Oh yeah? What was that little piggyback episode with Ukya, then?
You screwed it all up, moron!
You're accusing me, stupid?!
Dining Cart
What's up with those two now?
You know what they say... The hotter a couple, the more they fight.
